We would like to first welcome you to our office and thank you for trusting us to fulfill all of your dental needs.

Please understand that having dental insurance coverage is not a guarantee of payment. It is in your best interest and responsibility to know your dental policy. As an office we do our best to accurately estimate what your coverage and payments will be. We will provide your insurance company with any all necessary materials to process your dental claims. Any questions regarding any explanation of benefit or "E.O.B's", received from your insurance company need to be directed towards your insurance company. Any treatment not covered by your insurance company is due in full by you. We will be glad to assist you in any way to help get your insurance to pay on your dental claims.

If unable to keep an appointment, please give us at least 24 hours notice. All appointments are important to us and we wish to schedule everyone at their earliest convenience. Our hygiene appointments are scheduled 5-6 months in advance and book up very quickly. Although it is the patients' responsibility to remember appointments that were made, we do call to confirm appointments. We kindly ask that you call, text or e-mail us back that confirmation so that we know you are coming to that appointment. Missed appointments are missed opportunities for patients that have been on wait lists. We reserve the right to charge a \$35.00 fee for any and all missed appointments. Please help us keep our records up to date by informing us of any changes in your address, phone number or insurance.

How do you prefer to be contacted for appointment reminders? Please check one:
